

src/graphics/x11/images.h

```
graph TD; A[src/graphics/x11/images.h] --> B[string]; A --> C[jpeglib.h];
```

The diagram illustrates the dependencies of the header file `src/graphics/x11/images.h`. It is represented by a dark gray rectangular box at the top. Two blue arrows originate from the bottom edge of this box and point downwards to two separate light gray rectangular boxes. The left box contains the text `string`, and the right box contains the text `jpeglib.h`. This visualizes that `images.h` includes or depends on both `string` and `jpeglib.h`.
