

get_text_size

load_font

to_pattern

```
graph LR; A[get_text_size] --> C[to_pattern]; B[load_font] --> C;
```

A diagram illustrating a data flow or dependency. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'get_text_size' and the bottom box contains 'load_font'. On the right, there is a gray rectangular box with a black border containing the text 'to_pattern'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both 'get_text_size' and 'load_font' are inputs or dependencies for 'to_pattern'.
