

event_data_type_base_t

```
graph BT; A[KeyEvent::DataType] --> B[event_data_type_base_t]
```

The diagram illustrates an inheritance relationship. A light gray box at the bottom contains the text 'KeyEvent::DataType'. A blue arrow points vertically upwards from this box to a white box at the top, which contains the text 'event_data_type_base_t'. This indicates that 'KeyEvent::DataType' inherits from 'event_data_type_base_t'.

KeyEvent::DataType
