

get_image_size

```
graph LR; A[get_image_size] --> B[imgs::read_jpg]; B --> C[imgs::jpg_error_exit];
```

A flowchart illustrating a sequence of three operations. The first operation, 'get_image_size', is contained within a gray rectangular box. A blue arrow points from this box to the second operation, 'imgs::read_jpg', which is in a white box with a black border. Another blue arrow points from the second box to the third operation, 'imgs::jpg_error_exit', also in a white box with a black border. The boxes are arranged horizontally and connected by arrows pointing from left to right.
