

cydual::events::start

```
graph LR; A[cydual::events::start] --> B[event_task]; B --> C[process_event];
```

The diagram illustrates a three-step process flow. It begins with a box labeled 'cydual::events::start', followed by an arrow pointing to a box labeled 'event_task', which then points to a final box labeled 'process_event'. The 'process_event' box is shaded gray, while the others are white.
