

env::var::operator=

```
graph LR; A[env::var::operator=] --> B[env::set]; B --> C[env::get];
```

A flow diagram consisting of three rectangular boxes connected by blue arrows. The first box on the left is shaded gray and contains the text 'env::var::operator='. A blue arrow points from this box to a second, white box in the middle containing 'env::set'. Another blue arrow points from the second box to a third, white box on the right containing 'env::get'. All boxes have a thin black border.

env::set

env::get
